New trees to green Kuching

DBKU to cut down ageing, 'ailing' trees and replant new ones

BY ASILA AMBIAH HOSSEN

Performance Index (PI) system where each and every tree that has been cut down would be replaced by planting three new saplings to identify ageing and 'ailing' trees within its jurisdiction in the city given way for the replanting of new trees.

DBKU Mayor, Datin Hui Abang Mada Wahan Hui Abang Juhai said the city is aimed to replant the trees from uprooting which can be hazardous to people.

Each and every tree planted
